A Word of Welcome

Good morning and Welcome to Park Church as we celebrate the hard work of those in the Sunday School in our Prizegiving Service. I trust that the glorious summer sunshine has not been too taxing as we enjoy the Summer weather in all its glory. Our hope and prayer, as always, is that you will enjoy this time of worship together singing these great children's Choruses and Hymns we sing, and that hopefully through the words that are read, the prayers that are offered, and the thoughts expressed will encourage us all in our journey of faith, reminding us of God's Call upon our lives as we bear witness to our Saviour's unfailing love for us in this community that we are part of.

Having been together in Church this morning there will be an opportunity for the fellowship to continue over tea and/or coffee and if you can stay behind we would be delighted you join us. For those rushing away after the service is over, please know that our prayer is always the same - that you know God's Blessing in the coming week.

“For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in.”

(Matthew 25 v 35)

As so many still continue to struggle with the current economic crisis, we continue to support our neighbours in Carnwadric Church as they perform this sterling work reaching out to those who struggle to make ends meet at times. This story of need locally will continue and so we look to follow through that Christian mandate to demonstrate God's Love in this Act of Christian Service.

An Initial Update :

Our Strawberry Fair was an unqualified success yesterday, having had so many attend what was a lovely afternoon. You will be pleased to hear that thus far the sum of £1,108.18

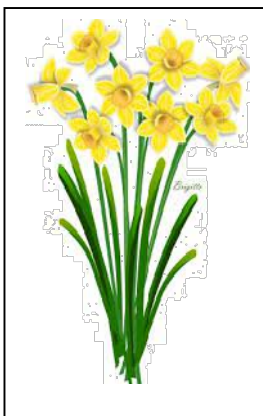

**Church Garden
& Grounds**

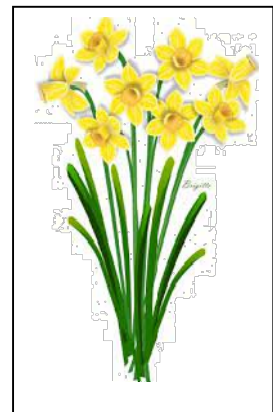

A small group of dedicated Church Folk over the years have sought to ensure that the Church Car Park, Grounds and Garden Areas are kept tidy and for that we can all be very grateful. There is always room for other to come and help. You don't need to know anything about Gardening, just be willing and you will be made most welcome .

If you feel unable to physically be there, then you can still assist. The two flower Beds on either side of the Hall ramp at the car park area is being revamped and you could assist by donating some shallow root plants such as heathers, etc. Our Gardening Team will be most grateful for your help in this.
