## A Word of Welcome

Good morning and Welcome to Park Church as we gather for Worship on the Auspicious occasion of Pentecost this fine Sunday morning.

This of course is the Church's Birthday, the moment that saw the disciples no longer hiding in enclosed rooms for fear of being discovered, instead being found in the Temple Court proclaiming a Risen Jesus. And every Sunday thereafter, as the church grew, the practice of meeting together became more formally established to become what it is today in all its variety of style and tradition.

As we mark this occasion, I hope that through the hymns that we sing, along with the Scripture that is read, the prayers that are offered, and the reflection from God's Word that is given, that it will encourage us in our faith, remind us of our calling and enable us to bear witness to our Saviour's unfailing love for us and this broken world we live on.

Having given thanks Together in Church there will be as always an opportunity for the fellowship to continue over tea and/or coffee and if you can stay behind we would be delighted you join us. For those rushing away after the service is over, please know that our prayer is always the same - that you know God's Blessing in the coming week.

*"For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in."*

*(Matthew 25 v 35)*

*As so many still continue to struggle with the current economic crisis, we continue to support our neighbours in Carnwadric Church as they perform this sterling work reaching out to those who struggle to make ends meet at times. This story of need locally will continue and so we look to follow through that Christian mandate to demonstrate God's Love in this Act of Christian Service.*

## Church Garden & Grounds

***A small group of dedicated Church Folk over the years have sought to ensure that the Church Car Park and Garden Areas are kept tidy and for that we are very grateful. There is always room for other people to help. You don't need to know anything about Gardening, just be willing and you will be most welcome.***

***If you feel unable to physically be there, then you can assist. The two flower Beds on either side of the car park ramp at the car park area is being revamped and could assist by donating some shallow root plants. Our Gardening Team will be happy to help.***
