A Word of Welcome

Good morning – If you are a newcomer among us - Welcome to Worship here in Giffnock: Park Church as we celebrate both Communion and Harvest together.

While every Sunday morning coming to church, we look to celebrate God's Love for us and give him our Thanks, there are times of the year that stand out such as that of Harvest which coincides with our Quarterly event of Celebrating the sacrament of the Lord's Supper. It is always our hope that regardless of you being regularly with us every Sunday or a visitor amongst us just on this occasion, that you will find worship to be enriching and enjoyable and even challenging at times. Our prayer, as always, is that you leave Church today with a sense of God's Blessing upon you in the week that lies ahead.

Helping Hands

Since the time of opening up form the Covid Lockdown period the Helping hands food bank has grown increasingly busy and we as a neighbouring congregation and now as part of the same Cluster have sought to assist with donations of food and Finance, all of which has been most appreciated and well used so thank You for rising to the challenge in these times of where many are struggling to feed their families and heat their homes in the winter.

PEACE POLE

We would like to make the Peace Pole a feature in our grounds by drawing the attention of people passing by towards the Peace Pole. That in so doing we focus the minds of the community on Peace and the need for non violence worldwide and in our community. To this end we would ask that members of the congregation to either donate a packet of Crocus Bulbs or make a monetary donation for us to purchase these.

Many thanks
