Good Morning everyone,

A warm welcome to you all here today as we gather to celebrate what has become a regular feature in the life of the congregation in recent years and was initiated by the late Mrs Sally Hamilton. I speak of course of the International Day of Peace, A U.N. Commemoration seeking that admirable ambition – Peace across our world. As we gather together once more in Park Church, we look to commemorate that ideal on the Sunday nearest to the International Day of Peace on the 21st September each year offering prayers for those across the world torn and bruised by conflict and disaster such as Conflict in Eastern Europe, the Middle East and parts of Africa, not forgetting all that is going on in Nepal and the Ebola outbreak in the Democratic Republic of the Congo. Much to pray for! At the end of the service you are welcome to come through to the Jubilee Hall for some Tea afterwards. In the meantime, I hope the week lying ahead is a good one and that you know God's Blessing through it.

Calum D. Macdonald

<u>Saturday 10th October starting at 2pm</u>

"There is to be a Celebration of Calum's retirement on with a photo show followed by a quiz and a mystery activity. Finishing with fish with chips at 5pm. Sheets with instructions are laid out in the vestibule for you to add your name if you can join in "

On behalf of the team… Isobel Dew

As we continue to Remember Sally Hamilton's family at this time, I can update you with the arrangements now in place for Sally's funeral. *There will be an opportunity to give thanks to God for the fullness of life that Sally has lived and the influence she has been on Friday 2nd October at 10.30am here in Park Church after which a small delegation of the family will depart for Linn Crematorium for a short service of Committal. Those remaining in the meantime are invited to retire to the Jubilee Hall for some light refreshment and fellowship to which all are invited.*

The Family have also asked to intimate there will be a Retiral Offering in support of Chest heart & Stroke Scotland
